Summary

Computer Science undergraduate at KIIT University with strong foundations in Data Structures, Machine Learning, and Software Development. Experienced in building machine learning models, deploying web applications, and solving algorithmic problems. Interested in Artificial Intelligence, Software Engineering, and scalable application development.

Education

2023 – 2027 **B.Tech in Computer Science and Engineering**, *KIIT University*, CGPA: 9.32 (3rd year)

2020 – 2022 **Higher Secondary (10+2)**, *Sundarban Adarsha Vidyamandir (H.S.)*, WBCHSE – 95.2%

2014 – 2020 **Secondary (10)**, *Sundarban Adarsha Vidyamandir (H.S.)*, WBBSE – 93%

Skills

Languages	Java, Python, C, SQL, HTML, JavaScript, CSS
Databases	MySQL
Core Areas	Machine Learning, Deep Learning, Data Structures and Algorithms, DBMS
Tools	Git, VS Code, IntelliJ IDEA, Jupyter Notebooks
Libraries	Scikit-learn, TensorFlow, Pandas, NumPy, Java Collections
Deployment	Flask, Streamlit

Projects

Movie Review Sentiment Analysis (Python, NLP, Scikit-learn)

- Built sentiment classifier on 50,000 IMDb reviews achieving **85% accuracy**.
- Preprocessed text using lemmatization, stopword removal, and duplicate filtering.
- Extracted features using `CountVectorizer` (max 4500, bigrams).
- Trained Multinomial Naive Bayes model with optimized hyperparameters.

Diabetes Detection (Python, SVM, Flask, Streamlit)

- Developed SVM model predicting diabetes risk with **87% accuracy**.
- Reduced training time by 30% through feature scaling and preprocessing.
- Applied cross-validation for improved generalization.
- Deployed ML model using Flask and Streamlit with real-time prediction interface.

JavaScript Quiz App (HTML, CSS, JavaScript)

- Developed responsive quiz app with real-time scoring and dynamic question rendering.
- Implemented DOM-based quiz flow control and reset functionality.
- Optimized UI for mobile compatibility and improved user experience.
- Live Demo

Achievements

KIITEE Ranked **532 (98.40 percentile)** in KIIT Entrance Examination and received a merit-based scholarship.
